2008 SYMPOSIUM

&

NEW YORK UNIVERSITY

3rd ANNUAL CERAMIC SYMPOSIUM

Oral Metamorphosis...

The Masters Teach the Art Behind the Smile

Everything has beauty, but not everyone sees it. Oral design with Willi Geller and his master ceramists will help you see the beauty and artistry involved in the Art Behind the Smile. Join us and you will be inspired to be the best at this 3 day event of teaching, artistry and entertainment. Don't miss this once a year experience. Space is limited...

April 4-6, 2008 at New York University College of Dentistry

KEYNOTE SPEAKER: *Willi Geller, Master Oral Design Switzerland*
